## WHAT IS THE DIANA INITIATIVE?

**The Diana Initiative** is a nonprofit organization providing inclusive and welcoming environments enabling women, LGBTQ, BIPOC and other underrepresented groups to enter, learn, grow, and network within the information security industry.

The Diana Initiative conference features technical presentations, professional development, personal development, networking opportunities, and more. Our presenters are leaders in their respective fields, representing industry, academia and government.

We create opportunities through workshops and career fairs, connecting attendees with potential employers who support diversity and inclusion. We foster relationships and peer mentoring groups, ensuring attendees develop a supportive network they can rely on throughout their career.

## WHEN AND WHERE IS OUR NEXT EVENT?

July 16-17, 2021  
Virtual Conference

## WHO ATTENDS THE DIANA INITIATIVE?

**Everyone.** The Diana Initiative conference is a women-driven event that invites everyone willing to help break down the barriers and misconceptions faced by women, gender diverse minorities, racial minorities, cultural minorities, and other underrepresented groups in Information Security.

*We invite everyone* who feels that diversity is a strength and that we are better together, both personally and professionally. *We invite everyone* new to information security, whether they're college graduates, transitioning from the military, or changing careers. *We invite everyone* who wants help shaping their career and are willing to help others grow. *We invite everyone* who wants to learn how to ensure their workplace and this industry are welcoming, energizing, and safe spaces.

*We invite you* to help us help everyone.

## WHY PARTNER WITH US?

### Corporate Responsibility

Potential customers, employees, and investors often consider an organization's philosophy on corporate responsibility when making decisions. By partnering with **The Diana Initiative**, sponsors confirm their alignment with our core mission of increasing diversity, equity, and inclusion in the Information Security profession.

### Brand Recognition

We proudly promote all Partner's logos on our website and in our event. We recognize and thank all Partners on social media and at opening ceremonies. We offer other promotional opportunities based on Partner Level as described below.

### Conference Passes

All Partner Levels include at least one conference pass. By interacting with attendees as peers and community members, Partners gain valuable name recognition, unique networking opportunities and insight to potential hires.

### Partner Exhibits

Instead of a vendor expo, we embed vendors directly into our virtual exhibit locations to maximize visibility to and interaction with attendees.

### Tax Deductibility

Because **The Diana Initiative** is a 501c3 non-profit, donations are tax deductible.

## IoT Village

IoT Village is organized by security consulting and research firm, Independent Security Evaluators (ISE), and the non-profit organization, Village Idiot Labs (VIL). If you want to help this hands-on lab happen email [iotvillage@ise.io](mailto:iotvillage@ise.io) to request a sponsorship pack and see how you can get involved.

### Sponsor a Student Add-On Donation

In 2019, we raised \$11,318.26 to cover hotel, travel, meals and event costs for ten students to join our in-person event, ensuring they had foundational knowledge and a solid network to start their career in Information Security. In 2020, we were able to ensure 462 students across the globe were able to join our virtual event *completely free of charge!*

Want to help? Talk to us about donating to our student sponsorship.

### Custom Partnership

Have a creative idea for helping us? Let's discuss customizing a partner package that will showcase your organization's unique strengths and culture.
